# INTRODUCTION

Surecon Projects (Pty) Ltd is an independent company, incorporated in 2015, who specialises in short term insurance claim assessments.

The company has quickly built a reputation for excellence and reliability in the industry.

Surecon Projects prides itself on its meticulous attention to detail and its commitment to delivering impartial and thorough assessments.

Under Martin Pretorius's leadership, the company has embraced innovative technologies and methodologies to enhance its services. This forward-thinking approach ensures that clients receive accurate, timely, and comprehensive evaluations tailored to their specific needs.

Our portfolio includes a diverse range of projects, from residential claims to large-scale commercial assessments. Their team of experts is well-versed in various sectors, ensuring that every claim is handled with the utmost professionalism and expertise.

As the company looks to the future, it remains dedicated to maintaining its core values of integrity, transparency, and client satisfaction. With a strong foundation and a visionary leader at the helm, Surecon Projects (Pty) Ltd is poised for continued success and growth in the years to come.

# PROFESSIONAL EXPERIENCE AND MEMBERSHIP

SureCon Projects has in-depth expertise in the non-motor insurance sector, ensuring top-notch customer service for both external and internal clients.

Valuing recognition, we strive for a harmonious balance between efficiency and interpersonal relationships, guiding our team towards excellence.

With an inherent positive outlook and the ability to perform well under pressure, we lead by example and enjoy engaging with individuals at all levels.

Our proficiencies in leadership, communication, and business acumen are valuable assets in the insurance field, supported by our punctuality and professional demeanor. We firmly believe that a contented client serves as the most effective endorsement for the insurance sector, and our company ethos revolves around integrity, dedication, and cultivating a positive work environment.

# OUR SERVICES

We closely work with insurance companies and brokers.

## **Types of Claims SureCon Has Been Appointed to Assess**

We have extensive experience in handling a diverse range of claims across various sectors of the insurance industry. Our expertise encompasses the following types of claims:

- All Risk Claims - Comprehensive coverage assessments, including unspecified risks that could potentially affect policyholders.
- All Risk Specified Claims - Evaluation of claims for specifically listed items within insurance policies, ensuring accurate valuation and assessment.
- General Theft Claims - Investigation and assessment of theft-related claims, determining the validity and extent of the loss.
- Building Claims - Detailed assessment of damage or loss to buildings, including structural evaluations and cost estimations for repairs or replacements.
- Fire Claims - Thorough investigation of fire-related incidents, analyzing the cause, extent of damage, and compliance with policy terms.
- Storm, Wind, and Rain Claims - Assessment of damage caused by natural elements, providing detailed reports on the impact and necessary repairs.
- Money Claims - Evaluation of claims involving loss or theft of money, ensuring compliance with policy conditions and accurate loss calculation.
- Glass Claims - Detailed assessment of glass damage or breakage, including windows, doors, and other structural glass components.
- Accidental Damage Claims - Investigation of accidental damage incidents, determining the cause, extent of damage, and applicable coverage under the policy.

Our proficiency in handling these diverse types of claims ensures that each case is meticulously evaluated, providing our clients with precise, reliable, and impartial assessments.

By maintaining high standards of professionalism and integrity, we help insurance companies and their clients achieve fair and timely claim resolutions.

# AREAS COVERED

Surecon Projects (Pty) Ltd proudly serves a broad range of areas within the Eastern Cape, ensuring that our professional insurance assessment services are accessible to clients throughout the region.

## Our primary service areas include:
